**Please note:** If you enrolled for the Health Care FSA or the Dental & Vision FSA, you have the option of obtaining a debit card to access your funds. If you had a debit card for last year, please keep it as your new enrollment funds will be added to that card. If you wish to obtain a new debit card, you will need to complete a debit card application form. You can do this either through the online enrollment process or through your account login once you become a participant.
